

AMERICAN ACADEMY *of* CONTINUING MEDICAL EDUCATION

14th Pan-Arab Conference on Diabetes (PACD)

March 23-26, 2010

AACME Accreditation Statement

This activity has been planned and implemented in accordance with the AACME's Accreditation Standards & Policies and the Essential Areas and Their Elements through a joint-sponsorship with the **American Academy of Continuing Medical Education (AACME)**.

The Egyptian Diabetes Center (EDC) has been accredited by the American Academy of Continuing Medical Education (AACME) to sponsor continuing medical education for physicians.

The Organizing Committee of the **14th Pan-Arab Conference on Diabetes (PACD)** take responsibility for the content, quality and scientific integrity of this CME activity.

The Organizing Committee of the 14th Pan-Arab Conference on Diabetes (PACD) present this activity for educational purposes only.

Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine.

The content of the presentations is provided solely by presenters who have been selected because of their recognized expertise.

AACME Credit Designation

The Accreditation Review Committee (ARC) of the American Academy of Continuing Medical Education (AACME) designates this medical education activity for a maximum of **24.00** hours in the Category 1 credit of the AACME Designation. Each physician must claim only those credits that he/she actually spent in the activity.

Conflict of Interest Disclosure

It is the policy of the American Academy of Continuing Medical Education (AACME) to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs.

All faculty participating in the **14th Pan-Arab Conference on Diabetes (PACD)** are required to disclose to the program audience any real or apparent conflict of interest related to the content of their presentations. All faculty are also required to disclose any discussions of unlabeled/unapproved uses of drugs or devices.
